Contact the management company for the preferred roofing materials to use. Storm doors are optional, but all should have plain white trimming with a full-view opening (glass or screen insert is acceptable)

13. A maximum of 3 pets per household is allowed. All dogs should be leashed when outside (as stated in City of Greenville Animal Control Ordinance). Residents are requested to restrain cats and NOT allow them to roam free. Pet owners are required to pick up and properly dispose of pet waste.
