Any property annexed must be contiguous to property already subject to this Declaration. Any property annexed pursuant to this subsection may be annexed and subjected to this Declaration as one parcel or as several parcels at different times. The addition of such property pursuant to this Section may increase the cumulative number of Lots within the Properties and, therefore, may alter the relative maximum voting strength of the various types of Members.

A supplementary declaration may contain such complementary additions to and modifications of the covenants and restrictions contained in this Declaration, including, without limitation, different voting rights and different annual and special assessments for the Lots or Units so annexed, as Declarant, in its sole discretion, may deem necessary or appropriate to reflect the different character or use of the property added. In no event, however, shall any supplementary declaration revoke, modify or add to the covenants and restrictions established by this Declaration so as to materially and adversely affect any portion of the Properties already subject to this Declaration. A supplementary declaration annexing additional property need only be executed by the Declarant and, if applicable, by the owner of the property being annexed, and shall not require joinder or consent of the Association or any of its Members.

Section 4. Merger. Additional property may also be made subject to this Declaration by merger or consolidation of the Association with another non-profit corporation formed for the same or similar purposes in accordance with the provisions of Sections 2-121 of the Act. The surviving or consolidated association shall administer the covenants and restrictions established by this Declaration within the Properties and the covenants and restrictions established upon property owned by the other association as one scheme. No such merger or consolidation shall cause any revocation, change or addition to this Declaration.

Section 5. Effect of Addition of Property. Except by amendment of this Declaration as provided in Section 3 of Article XIII hereof, no addition of property, whether by annexation, merger or consolidation, shall revoke or modify any provision of this Declaration as to the Properties already subject hereto or diminish the rights of the Owners of Lots and Units within the Properties, except for the dilution of voting strength that occurs as a result of inclusion of additional Members of the Association.

Section 6. Withdrawal of Property. Declarant reserves the right to amend this Declaration so long as it has a right to annex Additional Property pursuant to this Article for the purpose of removing any portion of the Properties then owned by Declarant or the Association from the coverage of this Declaration, to the extent originally included in error or as a result of any changes whatsoever in the plans for the Subdivision, provided such withdrawal is not unequivocally contrary to the overall, uniform scheme of development for the Subdivision.

There shall be two classes of Lots with respect to voting rights:

(a) Class A Lots. Class A Lots shall be all Lots except Class B Lots as the same are hereinafter defined. Ownership of a Class A Lot shall entitle the Owner of such Lot to one (1) vote. When more than one person owns an interest (other than a leasehold or security interest) in any Lot, all such persons shall be Members and the voting rights appurtenant to their Lot shall be exercised as

they, among themselves, determine; but fractional voting shall not be allowed, and in no event shall more than one vote be cast with respect to any Class A Lot.

(b) Class B Lots. Class B Lots shall be all Lots owned by Declarant which have not been converted to Class A Lots as set forth below. Declarant shall each be entitled to three (3) votes for each Class B Lot it owns. The Class B Lots shall cease to exist and shall be converted to Class A Lots upon the earlier of the following to occur: (i) when no Declarant owns any Lots or Units within the Properties; or (ii) upon written waiver of Class B membership by the Declarant. When the Class B Lots cease to exist and are converted to Class A Lots, Declarant shall have the same voting rights as other Owners of Class A Lots.

(c) Declarant's Voting Rights. Until the Class B Lots cease to exist, as provided above, Declarant shall be vested with the sole voting rights of the Association on all matters (including election and removal of directors and officers of the Association), except such matters as to which the Declaration, the Articles of Incorporation, or the Bylaws of the Association specifically require a vote of the Class A Members.

Section 1. Owners' Easements of Enjoyment and Access. Except as limited by the provisions of this Section 1 and by the rules and regulations adopted by the Board of Directors of the Association, every Owner shall have a right and easement of enjoyment in, use of and access to, from, and over the Common Area, which right and easement shall be appurtenant to and shall pass with title to every Lot, subject to:

(b) the right of the Association to suspend the voting rights of an Owner subject to a hearing or opportunity to present evidence in accordance with Section 47F-3-107.1 of the Act for any period during which any assessment against his Lot remains unpaid, or for a period not to exceed sixty (60) days for any infraction of the published rules and regulations of the Association.

(c) the right of the Association to dedicate, sell or transfer all or any part of the Common Area to any public or quasi-public agency, authority or utility for such purposes and subject to such conditions as may be agreed upon by the Members. After Class B Lots cease to exist, no such dedication or transfer shall be effective unless the Members entitled to at least 80% of the vote, of the entire membership of the Association and at least three-fourths (3/4) of the votes appurtenant to each Class of Lots agree to such dedication, sale or transfer and signify their agreement by a signed document recorded in the applicable public registry for Pitt County, North Carolina. Nothing herein shall be deemed to prohibit the Board of Directors of the Association, without consent of the Members, from granting easements over and across the Common Area to any public agency, authority or utility for the installation and maintenance of sewage, utility (including cable television) or drainage facilities when, in the opinion of the Board, such easements are necessary for the convenient use and enjoyment of properties within the Subdivision. Notwithstanding anything herein to the contrary, the

Common Area shall be preserved for the perpetual benefit of the owners of Lots within the Subdivision and shall not be conveyed except to a governmental entity or another non-profit corporation organized for similar purposes.

(d) the right of the Association, to borrow money and, after Class B Lots cease to exist, with the assent of Members' entitled to at least 80% of the votes of the entire membership of the Association and at least two-thirds (2/3) of the votes appurtenant to each Class of Lots, mortgage, pledge, deed in trust, or hypothecate any or all of its real or personal property as security for money borrowed or debts incurred, provided that the rights of any such lender or mortgagee shall be subordinate to the property rights of the Members and the Association as set forth herein.

(e) the right of the Association to exchange all or part of the Common Area for other property and consideration of like value and utility, provided, however, that, after Class B Lots cease to exist, any such dedication shall require the assent of the Members as set forth in subparagraph (c) above, and further provided that, if the Board of Directors of the Association determines, in its sole discretion, that such exchange is necessary to cure an encroachment or setback violation on any Lot, the Board may effect such exchange without the consent of or approval by the Members.

(f) the right of the Association to open the Common Area and, in particular, the recreational facilities constructed thereon, for use by non-members of the Association.

(g) the right of the Association to expand or add to the Common Area and to improve, maintain and operate the Common Area.

(h) the right of the Association to adopt, promulgate and enforce rules and regulations concerning the use' of the Common Area.

(i) the right of the Association to otherwise deal with the Common Area as provided in the Articles of Incorporation and Bylaws of the Association.

(b) Tenants: Contract Purchasers. The right and easement of enjoyment and access granted to every Owner by Section 1 of this Article may be assigned by such Owner to his tenants or contract purchasers who occupy a residence within the Properties, or a portion of said residence, as their principal residence in Pitt County, North Carolina. So as not to overburden the use of the Properties, if an Owner assigns said right and easement of enjoyment and access to Owner's tenants or contract purchasers, then so long as such assignment is in effect, Owner shall forfeit his right and easement of enjoyment and access.

(c) Guests. The right and easement of enjoyment and access granted to every Owner by Section 1 of this Article may be delegated to guests of such Owners, tenants or contract purchasers, subject to such rules and regulations as may be established by the Board of Directors.

(d) Suspension of Rights. The rights of any delegate or assignee of an Owner shall be suspended by, upon and during suspension of such Owner's rights as provided in Section 7 of Article XIII of this Declaration.

Section 3. Conveyance of Common Area To The Association. No later than the time Declarant no longer exercises voting control over the Association as provided in Article III hereof, Declarant shall convey, and the Association shall accept, fee simple title to all Common Area (except Common Area easements) within the Properties, and shall reserve for or grant to the Association all Common Area easements, all subject to such easements, reservations, conditions and restrictions as then may be of record, and the Association shall accept all such conveyances, grants and reservations, provided, however, that so long as Declarant owns any Lots within the Properties, Declarant reserves an easement over and across any Common Area deeded to the Association for the purpose of constructing and maintaining any improvements on the Common Area as it deems necessary or advisable, provided that any such improvements must comply with the requirements of the appropriate governmental authority. Any improvements placed on the Common Area by Declarant shall become the property of the Association upon completion of such improvements.

Section 4. Regulation and Maintenance of Common Area and Common Area Easements. It is the intent of the Declarant that the Common Area be preserved for the perpetual benefit of the Owners.

(a) Regulation of Common Area. The Association may adopt and promulgate rules and regulations governing the use of the Common Area by Owners and their family, tenants, guests and invitees. No Owner or other permitted user shall use the Common Area or any portion thereof in violation of the rules and regulations contained in this Declaration or subsequently adopted by the Association.

Without limiting the generality of the foregoing, no Owner or tenant, guest or invitee of an Owner shall, without the specific prior written consent of the Association: (i) damage or waste the Common Area or improvements thereon or remove any trees or vegetation therefrom; (ii) erect any gate, fence, structure or other improvement or thing on the Common Area; (iii) place any garbage receptacle, trash or debris on Common Area; (iv) fill or excavate any part of the Common Area; (v) landscape or plant vegetation on Common Area; or (vi) use the Common Area or any part thereof in a manner inconsistent with or in any way interfering with the rights of other Owners.

(b) Rights and Responsibilities of the Lot Owners as to Common Area Easements. Each Owner of a Lot upon which a Common Area easement lies shall pay all property taxes and other assessments levied against his Lot, including that portion of such tax or assessment as is attributable to such Common Area easement.

(c) Rights and Responsibilities of the Association as to Common Area. The Association shall have the right and obligation to ensure that the Common Area is preserved for the perpetual benefit of the Owners, and, to that end, shall: (i) maintain the Common Area in its natural or improved state, as appropriate, and keep it free of impediments to its use by the Owners, subject to the provisions of this Declaration; (ii) procure and maintain adequate liability insurance covering the Association and its Members, Directors and Officers, against any loss or damage suffered by any person, including the Owner of the Lot upon which Common Area lies, resulting from use of the Common Area, and adequate hazard insurance covering the real and personal property owned in fee by the Association;

and (iii) pay all property taxes and other assessments levied against all Common Area owned in fee by the Association.

(d) Declarant's and Association's Right of Entry. The Declarant and the Association and the employees, agents, contractors and subcontractors of each, shall have a non-exclusive right and easement at all times to enter upon any portion of a Lot reserved or designated as a Landscape Easement, Sign Easement or Common Area easement for the purposes of: (i) installing and maintaining subdivision entrance signs, features, fencing and landscaping; and (ii) making such improvements to the Common Area; and (iii) maintaining the Common Area easement in its natural or improved state.

ARTICLE V COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. Each Owner of a Lot, by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association annual assessments and special assessments, such assessments to be established and collected as hereinafter provided. All assessments which are unpaid when due, together with interest and late charges set forth in Section 9 of this Article V and all costs of collection, including reasonable attorney's fees, shall be a charge against and, a continuing lien upon the Lot against which such assessment is made subject to §47F-3-116 of the Act, as amended. Each such assessment or charge, together with interest and costs of collection, including reasonable attorneys' fees, subject to notice provided in §47F-3-116(e) of the Act, shall also be the personal or corporate obligation of the person(s), firm(s) or corporation(s) owning such Lot at the time when the assessment fell due, but such personal obligation shall not be imposed upon such Owner's successors in title unless expressly assumed by them. Although unpaid assessments and charges are not the personal obligation of such Owner's successors in title unless expressly assumed by them, the unpaid assessments and charges shall continue to be a lien upon the Lot against which the assessment or charge was made.

It is the intent of the Declarant that any monetary fines imposed against an Owner pursuant to the Bylaws of the Association or in this Declaration and subject to §47F-3-107.1 of the Act shall constitute a lien against the Lot of such Owner to the same extent as if such fine were an assessment against such Lot.

Section 2. Purposes of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety and welfare of the residents of the Subdivision and, in particular, for: (i) acquisition, improvement and maintenance of properties, services and facilities related to the use and enjoyment of the Landscape easement, Sign Easement and Common Area; (ii) repair and reconstruction of improvements on, the Common Area, including, without limitation, the cost of repair, replacement and additions thereto and the cost of labor, equipment, materials, management and supervision thereof; and specifically including maintenance and repair of all private streets and roadways within the subdivision; (iii) payment of taxes and public assessments levied against the Common Area owned by the Association in fee; (iv) procurement and maintenance of insurance in accordance with the Section 4(c) of Article IV of this Declaration; (v) employment of attorneys, accountants and other persons or firms to represent the Association when necessary; (vi) payment of principal and interest on funds borrowed for Association purposes; (viii) such other needs as may arise; and (ix) payment for the maintenance and operation of street lights. The Declarant reserves the

right to subject the real property in this subdivision to a contract with an electric company for the installation of street lighting, which requires a continuing monthly payment to that electric company by each residential customer. Said monthly payment shall be included in the assessments charged to each Owner.

Section 3. Annual Assessments.

(a) Maximum Annual Assessment. Declarant shall establish the Maximum Annual Assessment and initial annual assessment for Class A Lots; thereafter, the terms "Maximum Annual Assessment", "Annual Assessment", and "Special Assessment" shall mean the Maximum, Annual and Special assessments applicable to Class A Lots. Until January 1, 2016, the Maximum Annual Assessment shall be \$100.00 per year for each Class A Lot.

For so long as a Class B Lot(s) exists, the Declarant, in its sole discretion, shall have the authority to adopt an annual budget without a vote of the membership. Once Class B Lots cease to exist, the Maximum Annual Assessment may be increased by the Board of Directors effective January 1 of each year without a vote of the Members, but subject to the limitation that the percentage of any such increase shall not exceed 10% of the Maximum Annual Assessment for the previous year unless such increase is approved as set forth in Section 3(b), below.

(b) Annual Assessments: Ratification of Budgets. After Class B Lots cease to exist, the Board of Directors shall adopt a proposed budget (including the proposed annual assessment for each Class of Lots) at least annually. Within 30 days after adoption of the proposed budget, the Board of Directors shall send a copy of the proposed budget and shall give written notice to the Members of a meeting of the Members to consider ratification of the budget, such meeting to be held not sooner than 10 days nor more than 60 days after the mailing of such notice. Such meeting may, but need not be, combined with the annual meeting of the Members. Except as required by Section 7 below, there shall be no requirement that a quorum be present in order to vote on ratification of the budget (although a quorum must be present to vote on other matters). The budget shall be deemed ratified unless at that meeting Members having a majority of the votes of the entire membership vote to reject the budget. Notwithstanding the foregoing, if the budget provides for annual assessments not greater than 10% larger than the assessment in effect for the immediately preceding year, such budget shall be deemed ratified unless Members having at least 80% of the votes of the entire membership vote to reject the budget. If the proposed budget is rejected, the budget last ratified by the Members shall be continued until such time as the Members ratify a subsequent budget proposed by the Board.

Any annual assessment ratified by the Members shall continue thereafter from year to year as the annual assessment until changed by the Board and ratified by the Members as set forth herein.

Section 4. Special Assessments. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, special assessments for the purpose of defraying, in whole or in part, the cost of any construction, repair or replacement of a capital improvement on the Common Area, including fixtures and personal property related thereto, for repayment of indebtedness and interest thereon, or for any other purpose, provided that any such assessment shall have the same assent of the Members as provided in Section 3(b) of this Article.

Section 5. Assessment Rate: Collection Period. Except as provided in Section 6 of this Article V, the annual and special assessments shall be fixed at a Uniform rate for all Lots within each

subclass of Lots and may be collected on a yearly, semi-annually, quarterly or monthly basis, as determined by the Board of Directors.

Section 6. Declarant's Assessments. Notwithstanding any other provision of this Declaration or the Bylaws of the Association, the Declarant shall not be obligated for, nor subject to, any annual or special assessment for any Lot or other property that it owns within the Properties, provided, however, that the Declarant shall be responsible for paying the difference between: (i) the operating expenses of the Association; and (ii) the total operating revenues of the Association from all sources including, without limitation, annual and special assessments, revenues generated from fees charged by the Association for use of the Common Area, and investment income (said difference being hereinafter referred to as the "Operating Deficit"). For purposes of this Section, the term "operating expenses" shall not include contributions to any reserves for replacement, operating reserves, depreciation reserves, capital expenditures, or special assessments.

Declarant may, by written notice given by the Declarant to the Association on or before November 30 of any year, to be effective as of January 1, terminate its obligation to pay the Operating Deficit and waive its right to exclusion from assessments. In such event, each Lot owned by the Declarant which contains a Dwelling for which a certificate of occupancy has been issued shall be assessed at the rate of twenty-five percent (25%) of the annual assessment in effect for Class A Lots, as the same may change from time to time. Upon sale of such Lot by Declarant to any other person or entity, such Lot shall be assessed at Class A rate, commencing on the day on which title to such Lot is transferred to such third party. Notwithstanding any other provision of this Declaration, a Lot owned by the Declarant which contains a Dwelling occupied as a residence (but not as a model or sales center) shall be assessed at the rate applicable to Class A Lots.

Section 7. Notice and Quorum for any Action Authorized Under Sections 3(a) and 4. After Class B lots cease to exist, written notice of any meeting called for the purpose of taking any action authorized under Section 3(a) or 4 shall be sent to all Members not less than ten (10) days nor more than sixty (60) days prior to the meeting. At such meeting, the presence of Members, in person or by proxy, entitled to cast sixty (60%) percent of the votes of the entire membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirements, and if called for a date not later than sixty (60) days after the date of the first meeting, the required quorum at the subsequent meeting shall be one-half (½) of the required quorum at the preceding meeting.

Section 8. Date of Commencement of Annual Assessments: Amount of Initial and Subsequent Annual Assessments: Certificate of Payment. Unless a different commencement date is set by the Board of Directors, the annual assessments provided for herein shall commence as to all Lots in any phase on the first day of the month following the conveyance of a Lot or Unit within that phase to an Owner other than the Declarant or a Builder. Unless a lower amount is set by the Board of Directors and ratified by the Members, the first annual assessment shall be the "Maximum Annual Assessment" set forth in Section 3 of this Article and shall be prorated according to the number of days remaining in the calendar year.

The Association shall, upon demand, and for such reasonable charge as the Board of Directors may determine, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. If such certificate states that an

assessment has been paid, such certificate shall be conclusive evidence of payment.

Section 9. Effect of Nonpayment of Assessments: Remedies. An assessment not paid within ten (10) days after the due date shall incur such late charge as the Board of Directors may from time to time establish, and, if not paid within thirty (30) days after the due date, shall also bear interest from the due date at the rate of eighteen percent (18%) per annum or the highest rate allowed by law, whichever is less. The Association may bring an action at law or in equity against the Owner personally obligated to pay the same and/or foreclose the lien against the Lot for which such assessment is due subject to §47F-3-116 of the Act, as amended. Interest, late payment charges, reasonable attorneys' fees, and the costs of such action or foreclosure shall be added to the amount of such assessment. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or by abandonment of his Lot.

Section 10. Subordination of the Lien to Mortgages. The liens provided for herein shall be subordinate to the lien of any first mortgage or first mortgage on a Lot. Sale or transfer of a Lot shall not affect any assessment lien; however, the sale or transfer of a Lot pursuant to foreclosure of a first mortgage, or any proceeding in lieu of foreclosure thereof, shall extinguish the lien of any assessment which became due prior to the date of such conveyance. No such sale or transfer shall relieve such Lot from liability for any assessment thereafter becoming due or from the lien thereof; but the liens provided for herein shall continue to be subordinate to the lien of any first mortgage.

Section 11. Exempt Property. All property dedicated to and accepted by a public authority and all property owned by a charitable or non-profit organization exempt from taxation by the laws of the State of North Carolina shall be exempt from the assessments created herein. Notwithstanding the foregoing, no land or improvements devoted to dwelling use shall be exempt from said assessments.

ARTICLE VI RIGHTS OF LENDERS

Section 1. Books and Records. Any owner or holder of a first mortgage on any Lot, or its agent, shall have the right, during normal business hours, to examine copies of this Declaration, the Articles of Incorporation, Bylaws, and the books and records of the Association and, upon written request to the Association, and payment of copying and mailing costs, to receive a copy of the financial statement for the immediately preceding fiscal year.

Section 2. Notice to Lenders. After Class B Lots cease to exist and upon written request to the Association, the owner or holder of a first mortgage on any Lot shall be entitled to timely written notice of:

(a) Any 60-day delinquency in the payment of assessments or charges owed by the Owner of the Lot securing its loan.

(b) A lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Association.

(c) Any proposed action that requires the consent of a specified percentage of owners or holders of first mortgages on the Lots.

Section 3. Approval of Owners and Holders of First Mortgage. After Class B Lots cease to exist, unless at least seventy-five percent (75%) of the owners and holders of the first mortgages on Lots located within the Properties have given their prior written approval, the Association shall not:

(a) By act or omission seek to abandon, partition, subdivide, encumber, sell or transfer any real estate or improvements thereon which are owned, directly or indirectly, by the Association. The granting of easements for utilities or other purposes shall not be deemed a transfer within the meaning of this subsection. Nothing herein shall be deemed to prohibit the Association from exchanging Common Area for other real property of like utility and value as provided in Section 1(c) of Article IV of this Declaration, or to require the approval of such exchange by the holders of first mortgages on the Lots;

(b) Change the method of determining the obligations, assessments, dues or other charges which may be levied against a Lot;

(c) Fail to maintain hazard insurance on insurable improvements on the Common Area on a current replacement cost basis in an amount not less than one hundred percent (100%) of the insurable value; or

(d) Use the proceeds of any hazard insurance policy covering losses to any part of the Common Area for other than the repair, replacement or reconstruction of the damaged improvements.

Section 4. Payment of Taxes and Insurance Premiums. The owners or holders of first mortgages on Lots, jointly or singly, may pay taxes or other charges which are in default and which have or may become a charge or lien against any of the Common Area and may pay overdue premiums on hazard insurance policies or secure new hazard insurance coverage upon the lapse of a policy covering property owned by the Association. The persons, firms or corporations making such payments shall be owed immediate reimbursement therefore by the Association.

ARTICLE VII EASEMENTS

Section 1. Access and Utility Easements. Easements for the installation and maintenance of roadways, driveways, walkways, water, gas, telephone, cable television and electric power transmission lines, sanitary sewer and storm water drainage facilities, and for other public and private utility installations are reserved as shown on the recorded plats of the Properties. The Association may reserve or grant easements over the Common Area as provided in Article IV, Section 1(c), of this Declaration. (2) Prior to the Association or any Member commencing any proceeding to which Declarant is a party, including, without limitation, a proceeding based on an alleged defect in any improvement, Declarant shall have the right to be heard by the Members, or the particular Member, and to have access to inspect and correct the condition of or redesign any portion of any improvement as to which a defect is alleged or to otherwise correct or resolve the dispute.

(b) Alternative Method for Resolving Disputes. Declarant, its officers, directors, employees and agents, the Association, its officers, directors and committee members, all Owners, Members, any Builder, its officers, directors, employees and agents, and any other person or entity not otherwise subject to this Declaration who agrees to submit to this Section 8 (each such person or entity being herein referred to as a "Bound Party" or, in groups, as the "Bound Parties") each agrees to encourage the amicable resolution of disputes, without the emotional and financial costs of litigation. Accordingly, each Bound Party covenants and agrees to submit those claims, grievances and disputes described in Subsection (c) hereof (herein referred to as the "Claims") to the procedures set forth in Subsection (d) hereof.

(c) Claims. Unless specifically exempted below, all Claims between any of the Bound Parties, regardless of how such Claims might have arisen or on what they might be based, including, but not limited to, Claims: (i) arising out of or relating to the interpretation, application or enforcement of the Governing Documents or the rights, obligations and duties of any Bound Party under the Governing Documents; (ii) relating to the design and construction of improvements; or (iii) based on any statements, representation, promises, warranties, or other communications alleged to have been made by or on behalf of any Bound Party, shall be subject to the provisions of Subsection (d) hereof.

Notwithstanding the foregoing, unless all parties to any such dispute otherwise agree in writing, the following shall not be deemed to be Claims covered by this Subsection (c) and shall not be subject to the provisions of Subsection (d):

(1) any proceeding by the Association against any Bound Party to enforce the provisions of Article V of this Declaration:

(2) any proceeding by the Association or the Declarant to obtain a temporary restraining order or injunction (or equivalent equitable relief) and such other ancillary relief as the court may deem necessary in order to maintain the status quo and preserve the Association's or the Declarant's ability to act under and enforce the provisions of Articles VIII and XI of this Declaration;

(3) any proceeding between or among Owners, which does not include the Declarant, a Builder, or the Association as a party, if such proceeding asserts a Claim which would constitute a cause of action independent of the Governing Documents; or

(4) any proceeding in which no Bound Party is an indispensable party.

With the consent of all parties thereto, any dispute involving any of the foregoing excepted actions may be submitted to the alternative dispute resolution procedures set forth in Subsection (d).

(d) Mandatory Procedures.

(1) Notice. Any Bound Party having a Claim (the "Claimant") against any other Bound Party (the "Respondent") (the Claimant and the Respondent being herein individually referred to as a "Party" and collectively as the "Parties") shall notify each Respondent in writing (the "Notice"), stating plainly and concisely:

(i) the nature of the Claim, including the persons or entities involved and the Respondent's role in the Claim:

(ii) the legal basis of the Claim (i.e., the specific provisions of the Governing Documents or other authority out of which the Claim arises);

(iii) the proposed remedy; and

(iv) the fact that Claimant will meet with Respondent to discuss in good faith ways to resolve the Claim.

(2) Negotiation and Mediation.

(i) The Parties shall make every reasonable effort to meet in person and confer for the purpose of resolving the Claim by good faith negotiation. If requested in writing, accompanied by a copy of the Notice, the Board of Directors of the Association may appoint a representative to assist the Parties in their negotiations.

(ii) If the Parties do not resolve the Claim within 30 days after the date of the Notice (or within such other time period as may be agreed upon by the Parties), Claimant shall have an additional 30 days in which to submit the Claim to mediation under the auspices of the American Arbitration Association ("AAA") in accordance with the AAA's Commercial or Construction Industry Mediation Rules, as appropriate.

(iii) If Claimant does not submit the Claim to mediation within such time, or does not appear for the mediation. Claimant shall be deemed to have waived the Claim, and Respondent shall be released and discharged from any and all liability to Claimant on account of such Claim; provided, nothing herein shall release or discharge the Respondent from any liability to any person or entity other than the Claimant.

(iv) Any settlement of the Claim through negotiation or mediation shall be documented in writing and signed by the Parties. If the Parties do not settle the Claim within 30 days after submission of the matter to AAA mediation, or within such other time as may be determined by the mediator or agreed to by the Parties, the mediator shall issue a written notice of termination of the mediation process, which notice shall state that the Parties are at an impasse and set forth the date that mediation was terminated (hereinafter "Termination of Mediation").

(v) Each Party shall bear its own Costs of the mediation, including attorneys' fees, and each Party shall share equally all fees and expenses of the mediator and the administrative fees of mediation. If the Parties agree to a resolution of a Claim through negotiation or mediation as set forth in this Subsection (d), and any Party thereafter fails to abide by the terms of the settlement agreement, any other Party may file suit or initiate arbitration proceedings to enforce the agreement without the need to again comply with the procedures set forth in this Subsection (d). In such event, the Party taking action to enforce the agreement shall be entitled to recover from the non-complying Party (or, if more than one Party is in noncompliance, from all noncomplying Parties pro rata) all costs incurred by such Party in enforcing the agreement, including, without limitation, attorneys' fees and court costs.

(3) Binding Arbitration.

(i) After Termination of Mediation, Claimant shall be entitled to submit the Claim to final, binding arbitration under the auspices of the AAA in accordance with the AAA's Commercial or Construction Industry Arbitration Rules, as appropriate. No Claim subject to this Subsection (d), whether by the provisions thereof or by agreement of the Parties, shall be submitted to or decided by or in a court of law. Any judgment upon the award entered by the arbitrator may be entered in and enforced by a court of competent jurisdiction. If the amount claimed by the Complainant or, by the Respondent in a counterclaim, exceeds \$250,000, the Claim shall be heard and determined by three arbitrators. Otherwise, unless the Parties otherwise agree, the Claim shall be heard and determined by an arbitrator. An arbitrator shall have expertise in the areas) of the Claim, which may include legal expertise if legal issues are involved.

(ii) Each Party shall bear its own costs of the arbitration, including attorneys' fees, and each Party shall share equally all fees and expenses of the arbitrator and the administrative fees of arbitration.

Notwithstanding the foregoing, if a Party unsuccessfully contests the validity or scope of arbitration in a court of law, the non-contesting Party shall be awarded reasonable attorneys' fees and expenses incurred in defending such contest. All decisions regarding the arbitrability of any Claim shall be decided by the arbitrator(s).

(iii) The award of the arbitrators shall be accompanied by detailed written findings of fact and conclusions of law. Except as required by law or for confirmation of an award, neither a Party nor an arbitrator may disclose the existence, content, or results of any arbitration hereunder without the prior written consent of all Parties involved in the arbitration.

(e) Amendment of Subsection. Notwithstanding any other provision of this Declaration, this Subsection may not be amended prior to the expiration of 20 years from the date of recording of this Declaration without the prior written consent of the Declarant.

IN WITNESS WHEREOF, the said parties of the first part, have hereunto set their hands and seals, this the 17th day of April, 2015.
