

Associate Membership

The Bedford Place Homeowners Association in 2011 approved to extend memberships for non-owner members to join BPHOA. This membership would be extended to all Bedford, Bedford Place Gosford Lane, Lynndale and Lynndale East & Grayleigh area homeowners only and would give their immediate family (residing at the residence on the application) rights to the use of the park area, but no ownership or homeowner voting rights. The park area is deeded to the homeowners of Bedford Place, and only those deeded lots have ownership, voting and legal responsibility to maintain. There will be an application process and key to the tennis court given to paying members on an annual basis.

Our Associate Enrollment usually begins during May-June we will accept membership applications along with a payment of \$475 for the annual fee, plus a \$25 refundable key deposit. If you are interested in joining, please complete the online contact form so that we may send you the application.

You can download the application, complete it and mail in your dues in June. Please contact Russell Property Management at 252-329-7368 to pay for the annual fee and refundable key deposit. If you use a credit or debit card, the applicable service he will be added to the charge.
