A

A photograph of a house exterior featuring a balcony with a white railing. The house number '3304' is displayed on a white sign mounted on the light-colored horizontal siding. Two glowing spherical outdoor lights are visible in the lower corners of the frame.

3304

A close-up photograph of a blue door. The door has a classic six-panel design with recessed rectangular panels. In the center of the door, there is a small, circular peephole with a brass-colored ring. Below the peephole, a rectangular silver address plaque is mounted. The plaque has the text "3304 H" engraved in a serif font. The lighting is somewhat dim, creating soft shadows and highlights on the door's surface.

3304 H

A close-up photograph of a dark-colored door with a silver address plaque. The door has a peephole in the center. The address plaque is rectangular and features the text "3304 D" in a gold or brass color. The door has a traditional panel design with a central rectangular panel and four smaller panels in the corners. The lighting is somewhat dim, and there are some reflections on the door's surface.

3304 D

A close-up photograph of a blue door. At the top center, there is a circular peephole with a brass-colored ring. Below the peephole is a horizontal silver address plate. The plate has the number '3304' and the letter 'H' embossed on it in a white, serif font. The door has a recessed panel design with a rectangular indentation below the address plate.

3304 H

A close-up photograph of a blue door. At the top center, there is a circular peephole with a brass-colored ring. Below the peephole is a rectangular silver address plate. The plate has the number '3304' and the letter 'H' engraved in a serif font. The door has a recessed panel design with a central vertical groove and two side panels.

3304 H

3304

A close-up photograph of a blue door. The door has a classic six-panel design. In the center panel, there is a silver rectangular address plate with the text "3304 F" in a white, serif font. Above the plate is a circular peephole with a silver-colored frame. The lighting is somewhat dim, creating soft shadows and highlights on the door's surface.

2591 D

A close-up photograph of a blue door. The door has a decorative panel design with recessed rectangular sections. A small, circular metal fastener is visible above the address plaque. The address plaque is a rectangular piece of brass with the text "2591 H" embossed on it in a serif font.

2591 H

A close-up photograph of a blue metal component, possibly a part of a machine or tool. The component has a textured surface and a central brass-colored fastener. A white rectangular label is attached to the front, featuring the text '2591 C' in a serif font. The background is slightly out of focus, showing a light-colored wall and a window with blinds.

2591 C

A blue mailbox is mounted on a wall with horizontal siding. The mailbox has a silver address plate with the number '2591 B' engraved on it. The mailbox is secured with two screws, one visible above the plate and another below it. The background shows a narrow hallway or porch area with a window and a door.

2591 B

A photograph of a glass door or window. A white rectangular label with the text "2591 F" is centered on the glass. A bright, circular light reflection is visible on the glass surface, partially overlapping the label. The background shows an interior hallway with a white ceiling, a white railing on the right, and a doorway leading to another area. The overall lighting is somewhat dim, with the primary light source being the reflection on the glass.
