

Hampton Creek HOA

The Board of Directors has approved three colors to choose from to paint your front door if you wish. To change the door color, you must submit in writing to your HOA Manager the color you are changing it to. If a door is changed without prior approval, fines will be assessed to your account and legal action can/will be taken. This is the homeowner's choice to change the color and will be the homeowner's responsibility to make sure it is done correctly and professionally.

The colors must be purchased from Sherwin Williams **ONLY.**

The colors are below:

Burgundy: SW 6300

Endless Sea: SW 9150

Country Squire: SW 6475
