

WestPointe Neighborhood Association

Founded in 2013 after drug dealer shooting on Westridge Drive – rather than fleeing, we organized to fight crime

We have organized 2 successful National Night Out events

We promote neighbors watching out for each other and getting to know each other.

We have opened the lines of communication with Greenville Police Dept. and we have an appointed liaison

We promote safety and hope to protect property value

We work towards improving the quality of life in our neighborhood

After polling the residents, all agreed that a place for children to play was needed. We worked towards getting a park in our area and now it is coming.

Please complete the short survey below:

Name _____ email _____

Phone _____ property address _____

_____ landlord or _____ resident homeowner

Tell us the best things about your property:

Tell us the worst things about your property:

What property/neighborhood improvements would you like to see happen?

Thank you.

Margaret Hrushesky, President

WestPointe Neighborhood Association
