WILLOW RUN SUBDIVISION

REQUEST FOR CONSTRUCTION OF FENCING

This form is to be completed, submitted and approved **BEFORE** fencing is commenced on an existing lot.

With the exception of fences constructed along Portertown Road, fences may not be privacy fences. Recommended fencing along Portertown Road is 6 ft wooden privacy to match existing fences.

Fencing may be a maximum height of 4 feet with at least 2 inches between pickets.

Recommended building materials are PVC, wood or wrought iron. Chain link fencing is not acceptable.

It is advisable that homeowners have the lot surveyed BEFORE construction.
